APPENDIX I.

(*Vide Answer to Question No. 6*).

Letter dated 17th Dhanu 1098 from the Vice-President, Shashtipurthi (1088) Memorial Committee.

The statue of His Highness the Ex-Raja has arrived at Ernakulam and the pedestal for the same is now under construction, and will be ready shortly. It is the desire of my Committee to have the statue erected right in front of the central block of the Public Offices at Ernakulam in the centre of an oval shaped garden about 150 ft. by 100, surrounded by dwarf walls with ornamental iron railings. A rough sketch of the site is herewith forwarded. The Committee wishes to have the work of the garden and its enclosure completed by the time the pedestal is ready.

2. I am desired by my Committee to request that the Government will be pleased to sanction the erection of the statue in the site and in the manner above suggested. This arrangement will slightly interfere with the College race course, which will have to be moved a little to the north. This can however be done without any inconvenience.

3. It is the intention of the Committee to request the Ernakulam Municipality to take charge of the statue and the garden after the unveiling of the former. The Committee will invest a sufficient sum of money in Government securities to enable the Municipality to maintain the garden in good condition.

Mr. A. SANKARA PUDUVAL.

Sir, before the business is begun I desire to give notice that I want to move an adjournment motion.

President.—I do not think any other motion is made or attempted to be made. I mean it is not pressed for consideration to-day. That is how Mr. Kunjunni Raja's adjournment motion stands.
